

## Bios and Contact Information for E-TOD Speakers

By order of appearance

### **Steven Duong**

Steven Duong, AICP is a Principal and VP with AECOM, overseeing the Urbanism + Planning (U+P) practice. U+P is a collective of urban strategists comprised of experts in areas such as urban design, multi-modal planning, civic policy, data analytics, economic and real estate advisory, climate and resilience planning, and community planning.

Steven has led a wide variety of projects in this role, most recently serving as the lead consultant for the City of Dallas 100 Resilient Cities plan, Grand Rapid's Equity TOD Masterplan, and Auckland's Urban Regeneration Plan. His focus is on the intersection of sustainable development, equitable and social outcomes, and master planning. Steven also served as the Director of the North Central Texas Chapter of the American Planning Association, as a member of the Urban Design Advisory Council for the City of Dallas, and as a professor with UTA's College of Planning and Landscape Architecture and Studio Lecturer for Harvard GSD.
